FROZEN ACAI

About

Tropical Brazil offers delicious, nutritious products to enhance your lifestyle. Their innovative approach includes a ready-to-serve, high-quality acai cream, eliminating the need for blending. Using organic, sustainably sourced açai berries, they support environmental conservation and the preservation of the Amazon forest.

HEALTHY DRINKS

About

Grape Juice is brimming with antioxidants, vitamins, and minerals, offering benefits like supporting heart health, aiding digestion, and promoting hydration. It's a flavorful and nutritious choice to incorporate into anyone's diet.

Product Highlights

The Casa Madeira Grape Juice is made with high quality grapes (Isabel and Bordo) from Vale dos Vinhedos in South of Brazil, a well-known wine region. The Grape Juice is a blend of the two tasty grapes and has no added sugar or preservatives. 1.7 kg of the grapes is needed to make 1 litre. It is certified by The Brazilian Association of Pure Grape Juice, an organisation dedicated to preserving the purity of the drink.

IGJ.250

 6x1 L (6 L Net)

Product Highlights

The Libertea Ice Tea range stands out for its quality and unmistakable taste, as well as being free from sugar and preservatives. Ideal for any time of day.

WTCM.500

White Tea Peach Sugar Free Casa Madeira

White tea is extracted from the noblest part of the Camellia sinensis plant, young shoots and leaves, picked before the flowers open. As it does not undergo fermentation and is dried in the open air and daylight, it contains a large amount of antioxidants. White Tea with Peach reveals the delicate character of the fruit in a subtly refreshing way.

Ingredients: Water, white tea extract (Camellia sinensis), citric acid, Natural peach flavor, Antioxidant: ascorbic acid, Steviol glycosides from Stevia rebaudiana Bertoni, Enzymatically produced steviol glycosides.

12 x 500 ml (6 L Net)

BTCM.500

Black Tea Cranberry & Hibiscus Casa Madeira

Black Tea with Cranberry and Hibiscus has strong, intense aromas. The fruity cranberry notes are complemented by delicate floral nuances, resulting in a light and balanced combination.

Ingredients: Water, black tea extract (Camellia sinensis), acidulant: citric acid, natural cranberry and hibiscus flavors, antioxidant: ascorbic acid, steviol glycosides from Stevia rebaudiana Bertoni, enzymatically produced steviol glycosides.

12 x 500 ml (6 L Net)

7 898070 111831

A close-up photograph of a wooden bowl filled with cashews. The cashews are light beige and have a smooth, slightly wrinkled texture. The bowl is made of dark wood and is positioned in the lower half of the frame. The background is a soft, out-of-focus light beige.

ORGANIC PLANT-BASED MILK

About

In 2014, the narrative of vegetable milk was confined to being a niche product for lactose intolerant individuals or those with specific dietary restrictions, often comprising over ten ingredients. This marked the inception of a mission: to transform the landscape of plant-based beverages with a delectable and nourishing alternative, encapsulated within a minimal ingredient list. PlantCo's Cashew Milk, has only two ingredients, organically sourced, devoid of additives, and crafted with the essence of what truly counts: the cashew nut.

PLCA1L

Organic Cashewmilk

- Made with just 2 ingredients
- Free from food additives
- No added sugar – Neutral flavor
